SMKA MEMBERSHIP...

The South Manasota Key Association is our neighborhood big brother. The welcome sign, palm plantings, road & bike lane paving plus the new lights and street signs are some of their projects. Your support as new or continuing members strengthens our Co-ops position in the community. If you haven't been contacted, please call Marie Miller or Muriel Lyon.

RED DOT PROGRAM...

was presented at the January 18th SMKA meeting and deserves everyone's attention.

You place a 2 inch red sticker on your door to let Emergency Medical Techs know that you have a prepared form with necessary information on your refrigerator. It saves critical time when it means the most. Contact Faye Downing for details.

FISH FRY...

We are hoping to have a fish fry in March. Any contribution from fishermen who would like to share part of their catch would be greatly appreciated.

Thank You for the sympathy cards and the get well cards following my Mother's death and my recent surgery. Your concern was very much appreciated.
