

Reminder of Park Pet Rules

The Gulf to Bay ("GTB") Board of Directors would like to remind all owners and renters that we are a NO PET community.

We realize that, from time to time, feral or stray animals may be found within the Park. Feeding of such animals is discouraged as it may attract other unwanted animals. Additionally, owners should be aware that the animal may be considered a pet if it becomes socialized, becomes dependent on the owner or begins to exhibit behaviors typical of a domesticated pet.

Emotional Support Animals ("ESA'S") are allowed in accordance with Federal and Florida law. The Board understands that ESA's provide important support to persons diagnosed with certain mental and emotional health challenges. Any person (including members, guests and renters) may not stay in the Park with a pet without first providing required ESA paperwork (please see attached) and receiving written approval from the Board of Directors. Service Animals are excluded from this requirement. Such paperwork includes:

- a valid prescriptive letter from the individual's healthcare provider,
- acknowledgement of vaccinations and required county registrations for the pet
- written agreement to abide by the Park's rules and regulations (please see attached).

Thank you,

Gulf To Bay Board of Directors
